"The South 40"

The first tel-o-auction for market hogs in Farmville was held last Monday. 102 graded 1's and 2's and sold for $39.95.

* * *

Fall feeder cattle sale dates have been tentatively set. The yearling sale is September 13. Two feeder calf sales will be held October 4 and October 25.

* * *

Last week I looked at the armyworm control plots near North Garden. There were 10 plots using different chemicals or combinations plus a check area.

On plots where there was little control, we could find 12 to 15 worms per square foot under the killed rye.

There are some very promising materials on the way.

* * *

There is a growing need for "pick-your-own" strawberries. I'm told that urban dwellers are driving 60 miles to pick fresh berries. With supermarket prices for strawberries running from 79-89¢ per quart, they find a bargain in paying 50¢ a quart and are thrilled at the opportunity to get to pick them.

* * *

The spring feeder calf sales held in April topped all previous records in no-so-far as price is concerned.

Prices of steer cattle were up 40% and heifers 38% over last spring.

Assuming an average price for a 425 pound steer calf, a 200 pound winter gain, and based on the average price of a 625 pound steer this spring, a calf would have returned a gross margin of $135 for the wintering program.

This looks like a good program to follow again this fall.

529 pound good grade steers averaged about $328 per head, compared to $194 for the ten year average.

535 good grade heifers averaged $263, compared with $168 for the ten year average.

In Lynchburg 994 steers averaged 542 pounds and brought $57.87 per CWT or $313.73, while 426 heifers averaged 467 pounds brought $49.12 per CWT or $229.17.

* * *

Now's a good time to begin considering setting aside some good fescus pasture for stock piling.

Some producers are already taking soil samples in anticipation. These areas need to be topdressed with 75 to 100 pounds of actual nitrogen in early August plus any additional amounts of phosphate and potash that may be needed...and don't forget the lime.

* * *

Surveys in prior years have consistantly pointed to nutgrass as the world's most important weed. A new report confirms this assumption.

* * *

Virginia farmers are making progress in using more lime. Congratulations! The increase of 102,962 tons used in 1972 over 1971 reflects the effects of your interest in improved soil fertility.

Modernistic Club News Bulletin

The Modernistic Club met Friday, June 1, in their annual get together, at the home of Mrs. Theda M. Harris, in Lynchburg, Va., at the 6 p.m. hour. The members all carried a covered dish, and a very delicious dinner was served for the enjoyment of the special guest, "Mrs. T. M. Harris," and also for the club members. This is a yearly affair that the club members carry out for members who have been faithful through the years. Mrs. Harris has been somewhat under the weather for sometime and has not been able to attend the meetings as she did in the past. She wishes to thank the members for remembering her in such a fine way. She stated that a lonely time was had, and the fellowship was great.

The meeting adjourned until the final meeting, which will be held with Nurse Holmes, June 15, at the 6 p.m. hour.

Regular preaching service was held at Galilee Baptist Church June 3, at the 11 a.m. service hour. A very inspiring message was delivered by pastor Lawing, Theme -- "The Net Cast Into The Sea". The pastor stated that the message was one of the twentieth parables, used by Jesus Christ in his teaching, carrying us from the known to the unknown.

The Senior Choir rendered impressive music for the Sunday service.

Sunday, June 3, was a very beautiful day and a very appreciative audience turned out for service.

A number of visitors from sister churches worshiped at Galilee Sunday.

Under the direction of Supt. J. A. Watson a large number turned out for Sunday School. The subject: "Why Have Law? Ps. 119:97 - 104-Matt. 5:17. Memory Selection -- "Love worketh no ill to his neighbor: Therefore love is the fulfilling of the law. Rom. 13:10. The subject was well taught, and all went home feeling that he knew a little more about the laws which are guides to safe living.

The community was saddened to learn of the passing of the youngest brother of Mr. Bernard Turner, Sr. who lives in Spout Spring, Va. His brother passed in Baltimore, Md., where he had lived for a number of years.

The Turners accompanied by Mr. George Stevens, journeyed to Maryland Sunday morning. They were met in Baltimore by Mr. B. Turner's other two sons, Mr. and Mrs. Clinton Turner from Halifax, and Mr. Leon Turner and Ms. Turner's brother, from "Philly, Pa.". Mr. A. Watts from Spout Spring, Va., attended the funeral service of the late Mr. H. Turner, also. Funeral services were held in Baltimore, Md., where he had lived for a number of years. Baltimore Md. Monday morning at 11 a.m. Our hearts go out in sympathy for the Turner family.

The Galilee Woman's Club will meet in their monthly meeting at the residence of Mrs. H. B. Stevens Tues., June 12, at 6:30 p.m. Don't forget the date. We shall look for you.

We visited Mrs. Nannie Wright for a short period Sunday. She was very cheerful and was up and around.

In and Out of Town

Over the Week End.

Mr. and Mrs. George Martin have returned to their home in New York after a week's visit with relatives and friends in Appomattox and also Lynchburg.

Ms. Beamon's mother and father visited them over the week end. Ms. Beamon and her mother made a short visit in the home of Ms. H. B. Stevens, while in town. We were happy to meet Ms. Beamon's mother, who resides in Portsmouth, Va.

See you next week!!

No business ever became great without a program of progressive expansion.

4 H-er's At WFLO Radio Station

Seven 4-H members from Pamplin Elementary School participated in a live radio broadcast over Station WFLO in Farmville on Wednesday, May 30.

As part of the weekly Extension Service program, the 4-Her's discussed their recent participation in the Southern Regional Junior 4-H Contests.

Pictured above are standing (left to right) Sybil Franklin, Keith Dickerson, Steve Cobb, Debbie Baldwin, and Debbie Roach. Seated are Rose Glenn and Ricky Guill.

Receive Degrees

Five Longwood College students from Appomattox were among some 491 seniors and graduate students to receive degrees on June 2.

Receiving bachelor of science degrees in elementary education were Kathryn Isabelle Coleman, Scarlet Marie Foxwell, and Priscilla Ann Wooldridge.

Miss Coleman, daughter of Mr. and Mrs. W. Twyman Coleman, is a 1969 graduate of Appomattox High. While at Longwood she was a member of Alpha Delta Pi social sorority. Miss Foxwell, daughter of Mr. and Mrs. Joseph S. Foxwell, is a 1970 graduate of Stafford High School. Miss Wooldridge is the daughter of Mr. and Mrs. Carl R. Wooldridge and a 1969 graduate ofAppomattox High School.

Master of science degrees in supervision were awarded to Waverly Thomas Johnson and Patricia Thomas Torrence.

Mrs. Eleanor P. Sheppard, member of the Virginia House of Delegates and former mayor of the city ofRichmond, addressed Longwood's 89th graduating class and guests at commencement exercises. This was the first time in Longwood College's 134-year history the commencement address was delivered by a woman. The diplomas were awarded by President Henry I. Willett, Jr. and Dr. Herbert R. Blackwell, dean of the college.

Longwood, established in 1839, has a strong teacher-training program coupled with a varied liberal arts program. Graduate degrees are offered in English, history, and education.
